Katie Knight

BSc (Hons) MCIHT

Transport Planner

Focused on building on her experience in delivering transport schemes across the public and private sectors.

Sectors:

Residential

Education

Commercial

Mixed-use

Industrial

Katie Knight

Working across the public and private sector in delivering transport plans.

Katie is a Transport Planner and has joined mode from Capita Real Estate and Infrastructure. Katie has three years' experience in both the private and public sector, with experience in a variety of different areas.

Katie developed an interest in Transport Planning whilst studying Geography at The University of Salford. After which, Katie was awarded the Rees Jeffrey's Road Fund Bursary and then went on to study Transport Engineering and Planning.

In her spare time Katie enjoys spending time with her family, visiting new places and is a keen hiker. She has recently visited Fort William to climb Ben Nevis (where it did not stop raining)!
